Betrayal In The Fringe

Betrayal in the Fringe:

The Solar Fleet was humanity's shield, its greatest defense against the unknown. Now, it's gone—wiped out in a single, devastating attack. Determined to uncover the truth, Captain Duff defies orders and ventures into the depths of the Fringe in search of his old friend, Captain Rogers. But what he finds is worse than he imagined—a web of lies, betrayal, and a Republic that has already branded them both as traitors. Cut off from everything they once knew, the crews of the USRS Victory and USRS Remus are left to fight for survival against enemies lurking in the shadows. As they navigate the perilous depths of space, trust is tested, and new alliances form in the face of overwhelming odds. Friendships are forged in fire, and romance blossoms in the darkness, offering moments of light amidst the uncertainty. But with conspiracies reaching the highest levels of the Republic and a threat unlike any humanity has faced before, proving their innocence may be the least of their concerns. Hunted, outgunned, and teetering on the edge of survival, Duff and Rogers must decide how far they're willing to go to uncover the truth. Because the real question isn't just who destroyed the Solar Fleet... It's who's next. Fans of political intrigue, explosive sci-fi action, and edge-of-your-seat suspense will be hooked from the first page of this thrilling space opera.

The Faces Behind The Father

About Author:

In the void where shadows whisper and silence speaks, a father leaves his legacy.

What if the shadows in your mind weren't just whispers—but distinct voices with names, faces, and desires of their own?"

In this raw and powerful memoir, J.Outis invites you into his world—a world shaped by Dissociative Identity Disorder, trauma, and resilience. Diagnosed with a condition that splintered his sense of self, he wrestled with chaos, confusion, and the burden of understanding the personas within him. Yet, what he once considered a curse became a source of strength, creativity, and connection.

What does it mean to carry a mind that is both a sanctuary and a storm? For the author, living with Dissociative Identity Disorder meant navigating a fractured identity—a world where voices clashed and personas vied for control. But this isn't just his story. It's a letter to his son. A guide. A promise.

Through haunting reflections and profound revelations, *The Faces Behind the Father* explores the labyrinth of trauma, resilience, and love. From chaos emerges clarity, as a father opens the door to the void within him—not to hide it, but to guide his son how to wield its power.

This is not just a memoir—it's a map for anyone who has ever felt fractured, lost, or afraid to face their own shadows.

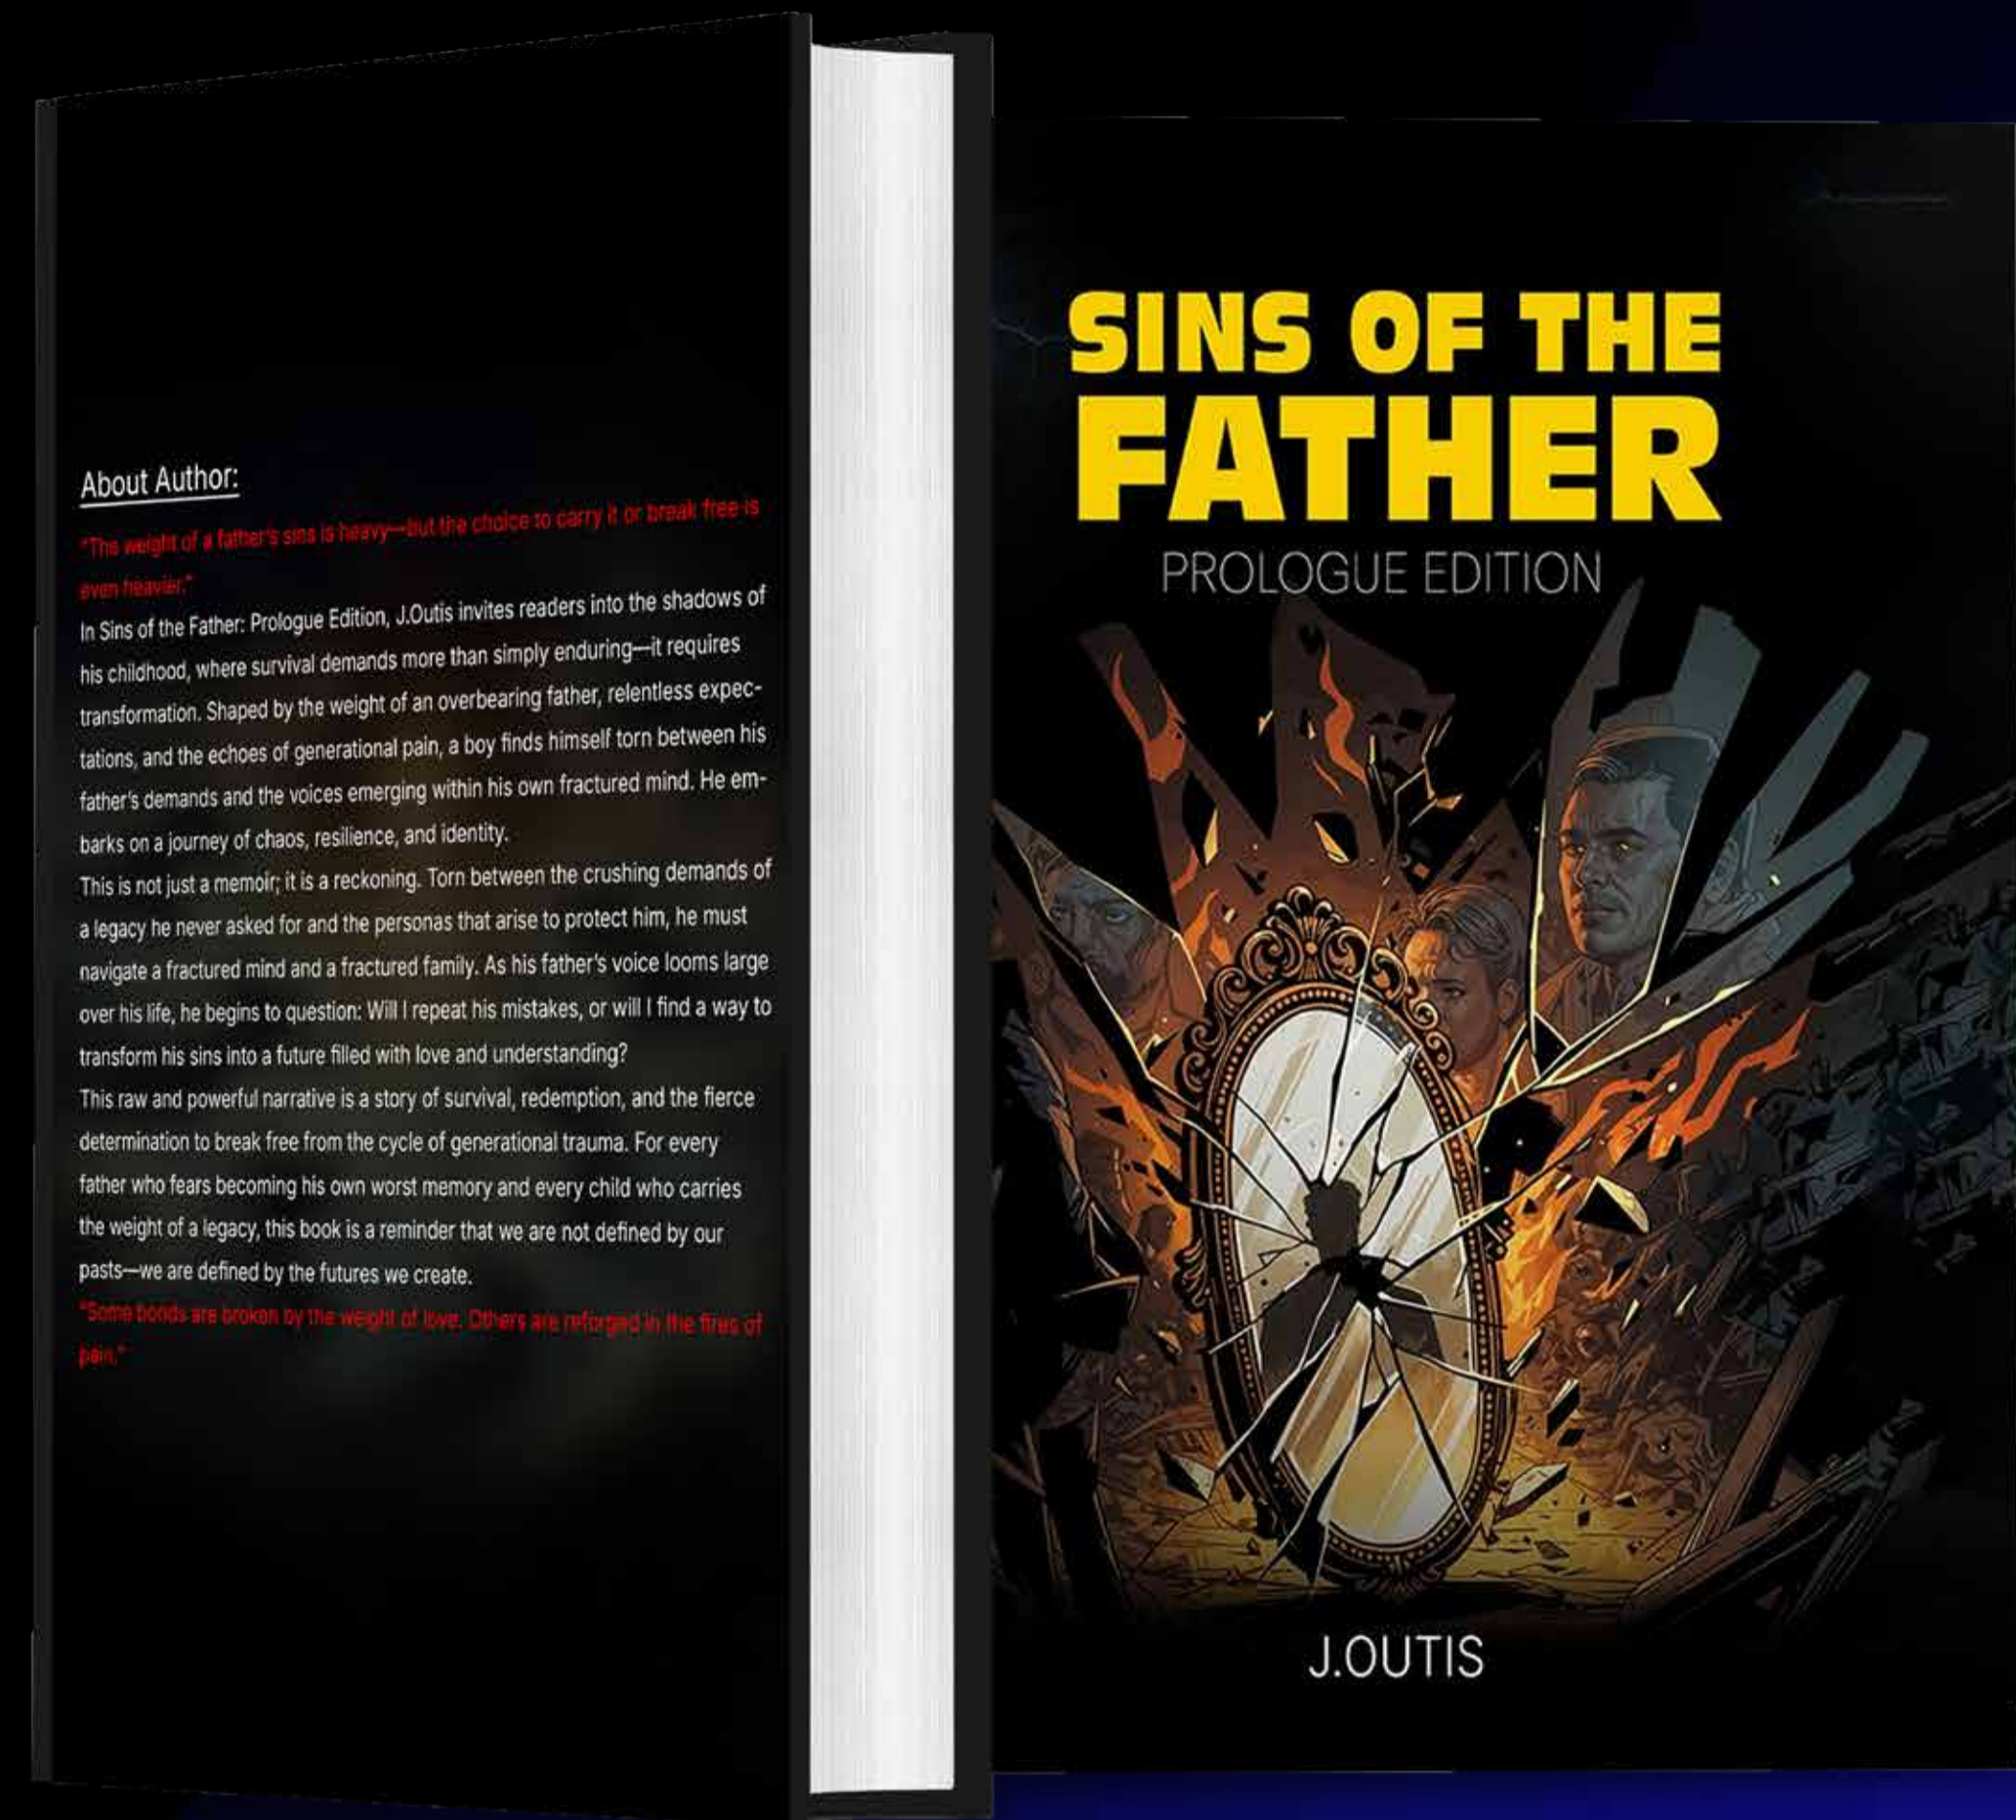

Step into the void. Discover its strength. And never forget: you are not broken. You are extraordinary. You are complete.

Sins Of Father

About Author:

"The weight of a father's sins is heavy—but the choice to carry it or break free is even heavier."

In *Sins of the Father: Prologue Edition*, J. Outis invites readers into the shadows of his childhood, where survival demands more than simply enduring—it requires transformation. Shaped by the weight of an overbearing father, relentless expectations, and the echoes of generational pain, a boy finds himself torn between his father's demands and the voices emerging within his own fractured mind. He embarks on a journey of chaos, resilience, and identity.

This is not just a memoir; it is a reckoning. Torn between the crushing demands of a legacy he never asked for and the personas that arise to protect him, he must navigate a fractured mind and a fractured family. As his father's voice looms large over his life, he begins to question: Will I repeat his mistakes, or will I find a way to transform his sins into a future filled with love and understanding?

This raw and powerful narrative is a story of survival, redemption, and the fierce determination to break free from the cycle of generational trauma. For every father who fears becoming his own worst memory and every child who carries the weight of a legacy, this book is a reminder that we are not defined by our pasts—we are defined by the futures we create.

"Some bonds are broken by the weight of love. Others are reforged in the fires of pain."

Cain & Abel Brothers Broken
Grace Restored

TWO BROTHERS. ONE CHURCH. A DEADLY RIVALRY.

Cain and Abel Solomon were destined to lead Mount Zion Church, a pillar of faith and community for decades. Groomed from childhood by their father, Bishop Jeremiah Solomon, they were brothers bonded by service—but divided by ambition. While Abel's quiet humility elevated him to leadership, Cain's relentless drive left him in the shadows, his resentment festering.

When Abel is mysteriously attacked and presumed dead, Cain becomes consumed by guilt—and suspicion. As Mount Zion fractures under the weight of betrayal and whispered secrets, Cain stumbles upon a chilling truth: Abel is alive and hiding, his disappearance tied to a dangerous conspiracy reaching far beyond the church walls.

With their family and congregation on the brink of collapse, the brothers must reunite to uncover the truth about the shadowy forces that sought to destroy them both. But exposing the secrets buried within Mount Zion will require sacrifices—and force Cain and Abel to confront not only their enemies but also the darkest parts of themselves.

Will the Solomon brothers bring justice to the corrupt, or will their search for the truth tear them—and the church—apart forever?

A gripping tale of betrayal, redemption, and the unbreakable bond of brotherhood, Cain and Abel will keep you on the edge of your seat until the final page.

The Dark Communion
Jezebels

In the quiet town of Fairwater, beneath the glow of its iconic stained-glass church, dark power brews.

Jezebel Monroe is a woman of elegance and cunning, commanding the pulpit of St. Luke's with an iron grip and a secret arsenal of forbidden rituals. Her influence is far-reaching, her congregation loyal—blind to the spiritual darkness she's cloaked herself in. But Jezebel's ambition is insatiable, and her daughter, Bella, has inherited more than just her charm. Hungry for power, Bella takes her mother's legacy to new, dangerous heights, weaponizing faith, witchcraft, and deception to grow her following.

As Bella's ministry flourishes and her thirst for control consumes her, cracks begin to form. Betrayal, scandal, and supernatural forces collide as those closest to Jezebel and Bella—her son Daniel, weighed down by his

own secrets, and the prayerful Miriam, armed with unwavering faith—rise to challenge their unholy empire.

Dark Communion: Jezebel's Empire and the Struggle for Redemption is a gripping tale of power, ambition, and spiritual warfare. As darkness spreads and destruction looms, the battle between light and shadow builds to a nail-biting crescendo. Will truth and faith prevail, or will Jezebel's legacy devour them all?

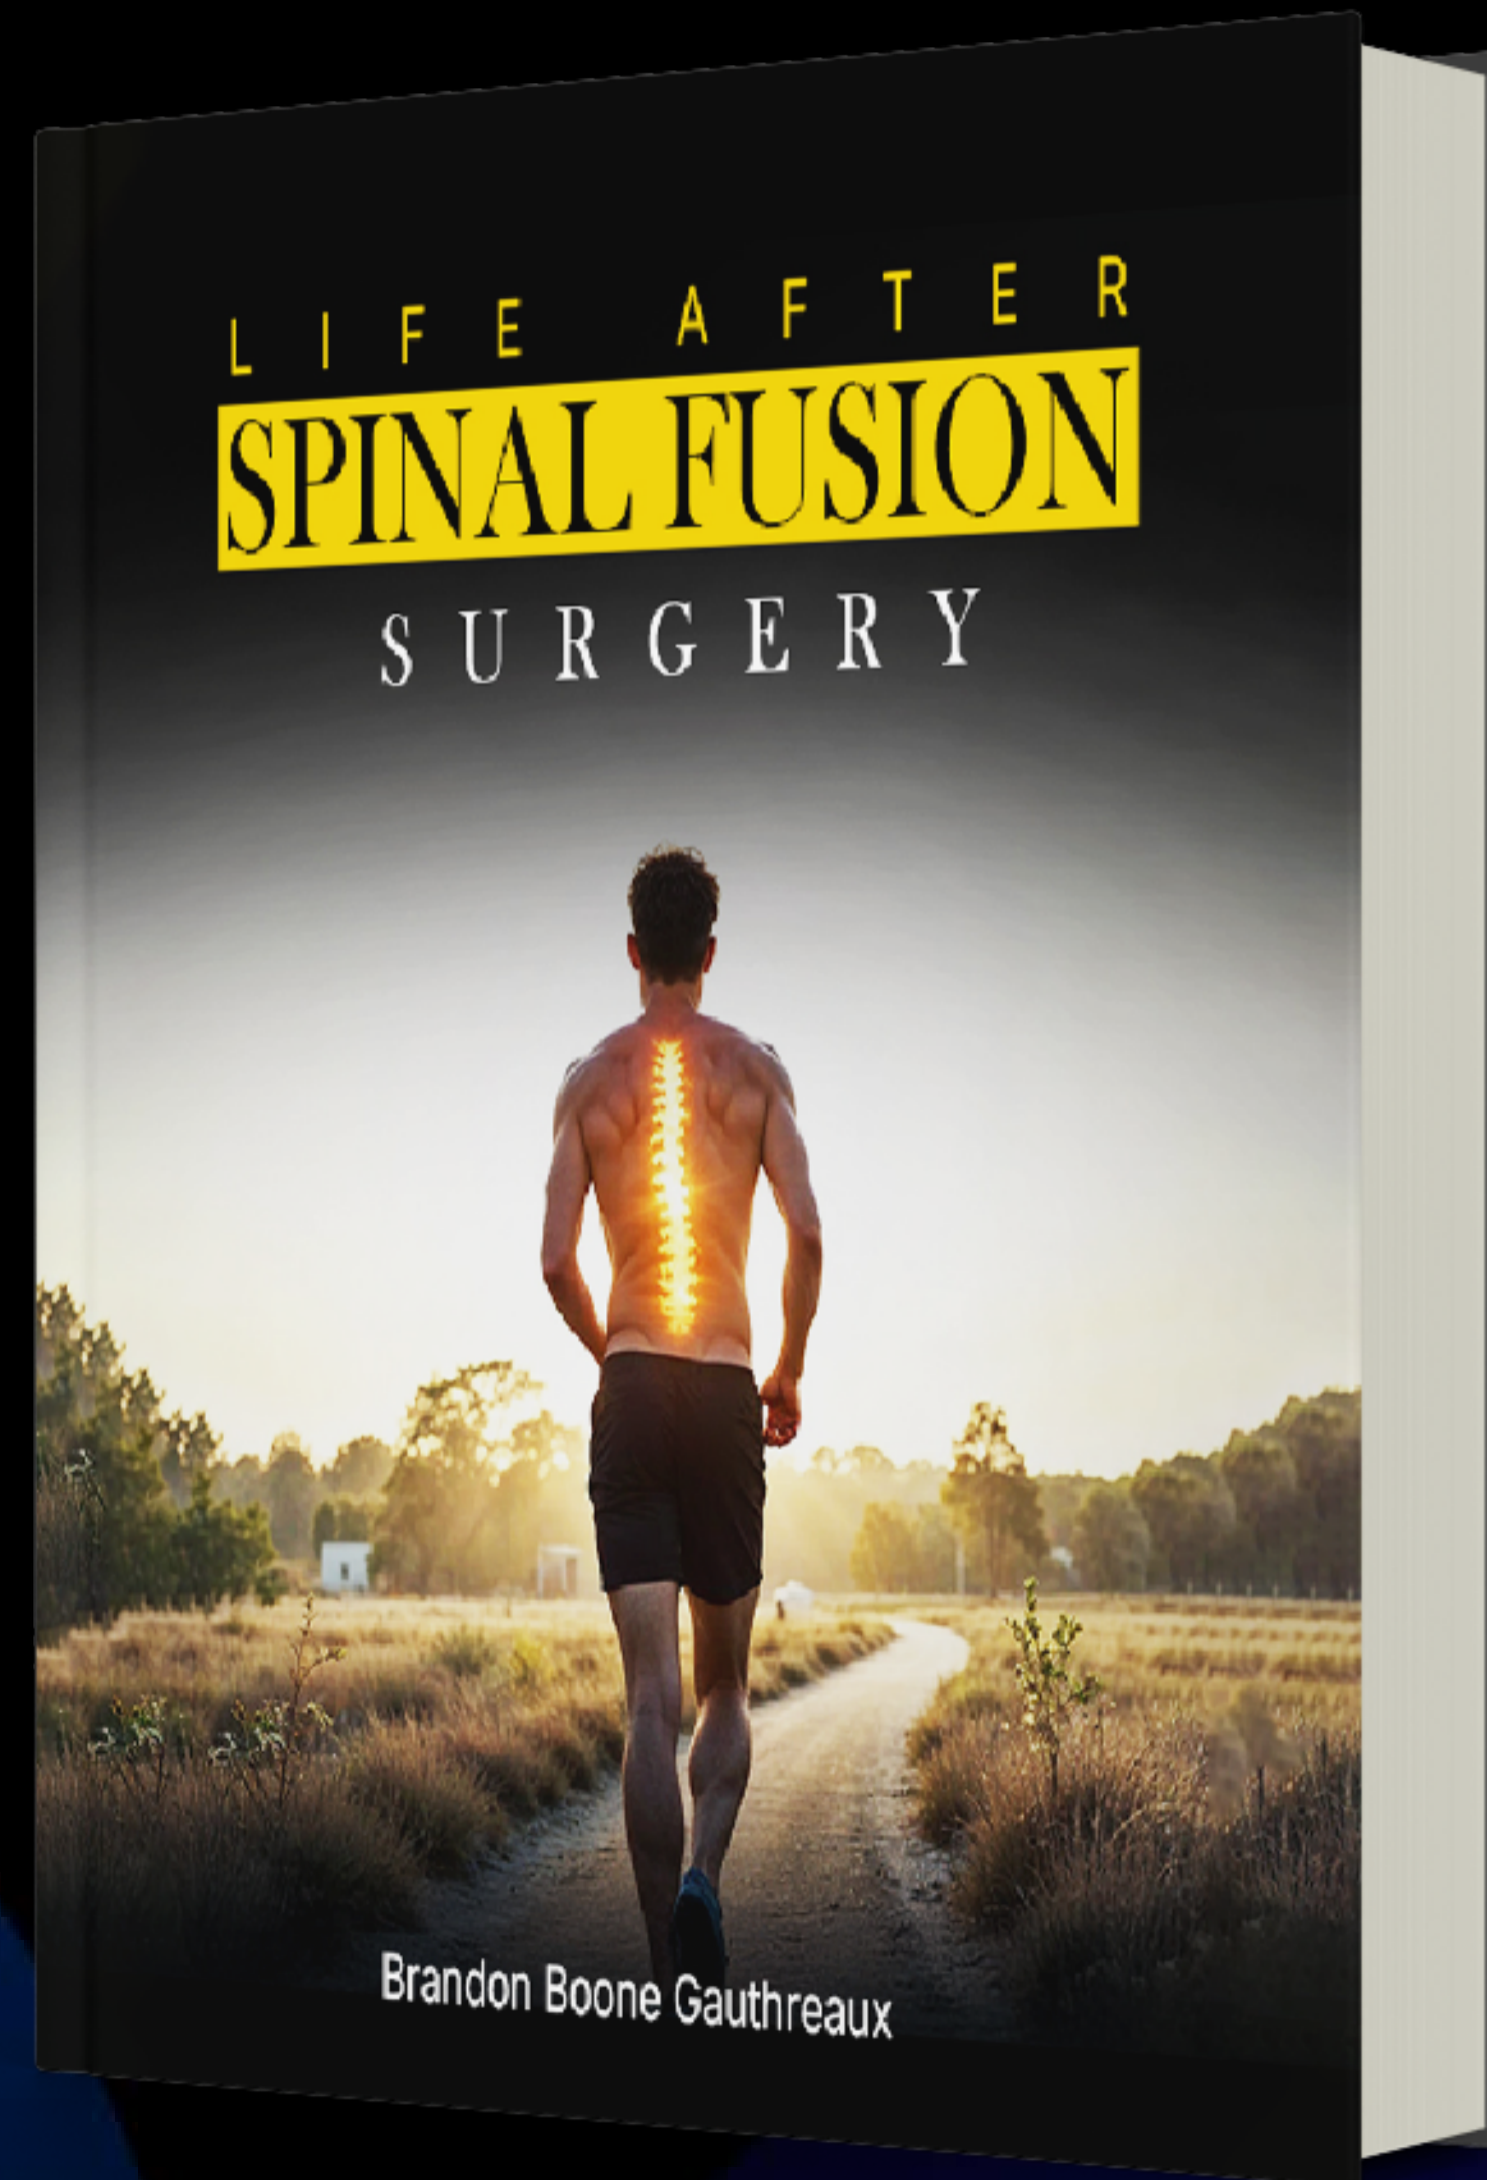

For fans of suspense, supernatural intrigue, and stories of redemption, *Dark Communion* is a haunting reminder that no one is beyond the reach of grace—even the darkest corners of the soul.

Mimi's Mini Farm Matilda
The Donkey Detective

BIO

Born on the coast of Mississippi to blue collar parents, and remained in Mississippi until the age of twelve, at which time we moved to Alabama. Raised on a farm and the son of a builder with my older and younger brother. After going to college and working corporate-ly for ten years, I got back to my roots by opening a home building business in 1996, and the years that followed built hundreds of homes and completed thousands of renovations. Married to Ms. Brenda for over twenty years, after helping raise my twins, and chase my goals, Brenda decided she wanted a farm and bought some land. She began a miniature farm full of miniature animals, sunflowers, wildflowers, and lots of vegetables. She spends her time helping to tend the cows, goats, chickens, and of course the donkeys. It is here we hope to get the most of our twilight years.

ABOUT THE BOOK

The idea of the book came about because of our deep affection for miniature donkeys. Our first donkey, Matilda, is so much fun. Full of life, love, curiosity, and a little mischief. She helps safeguard all our animals and is so alert and smart. Follow Matilda through this mystery of the missing green egg, and you will soon see just how smart and determined she can be as she searches for clues and summons help from the other animals to solve this mystery. Hope you enjoy Matilda as much as we do. Much Love!

Breaking Free From The Spirit Of Poverty

ABOUT THE AUTHOR

Evangelist Sr. Robert Mageza Lekuku is firstly a dedicated theologian, pastor, and author, then someone who is devoted to educating believers about the spirituality of life. Influenced by his late father, a pastor tremendously used by God in miracles, signs, wonders, and deliverance, Sr. Mageza learned through firsthand experience about the transformational power of the Holy Spirit. The ministry of his father had a profound impact on him, and it inspired him to serve God in deliverance and to carry on the family legacy of helping people overcome spiritual obstacles.

Sr Mageza has done many deliverance workshops across the USA and Africa, drawing from his years of experience in practicing ministry. He spends most of his time writing, training, and equipping born-again Christians (most of whom know little or nothing about spiritual warfare) with what they need to face and overcome. Combining the richness of real-life experiences with practical spiritual revelation, he brings to the reader a deep understanding of the hidden fight of life.

The Holy Spirit and practical ministry experience inspire Sr. Mageza's books. His calling is to expose the devices of our enemy so that believers can identify and overcome spiritual hindrances.

The work of Sr. Mageza is a testament to his undying and relentless commitment to sharing the gospel and helping people live a victorious life in Christ. With a profound understanding of spiritual need and a lay of compassion for those who have that need, his ministry and writing are a well of hope and empowerment for Christians throughout the world.

Chapter 3 The Feathered Trail

The goats with their nimble steps, began to explore every corner, clinking on bales of hay and poking their heads into empty stalls. Matilda and Hazel, meanwhile, carefully inspected the ground, hoping to find some trace of Rose's passage. As they neared the back of the stable, they noticed Coco and Flojo huddled together. What were you, friends? Matilda asked, her voice echoing in the spacious barn. Look! exclaimed one of the goats, pointing with his horn. There, tucked away in a corner, was a small pile of emerald-hued feathers shimmering in the sunlight. Matilda's heart skipped a beat as she realized these were Rose's feathers. This is indeed a clue, she said, her face filled with determination. Rose must have passed through here. But where could she be now? The animal was exclaiming concernedly. Without a moment's hesitation, Matilda, Hazel, and the goats set off on their quest.

Chapter 4 The Great Egg Hunt

Matilda, with her sharp detective mind, was in overdrive. Suddenly, the chickens began to flutter anxiously, adding to the tension. Matilda could see the worry etched on their faces, only fueling her determination to unravel this mystery. Hazel, she called out. Yes, Matilda? replied Hazel. We found a lead back in the stables, didn't we? Perhaps we should revisit the stables and search the area again. That's exactly what I was thinking, Rascal! exclaimed Matilda. And so, with all the farm animals in tow, they set off towards the stables. Upon reaching the stable, Matilda took charge and began issuing orders. She instructed Rascal and Ella to search the stables while Hazel checked the tack room. Coco and Flojo were assigned to the playground area and were tasked with searching under the see-saw.

Chapter 5 The Case of the Emerald Egg

Rose was recovered for her equine friends. Matilda related the daily task of her job. Tearing up, my friend! Matilda declared despite the quiver in her legs. We and her prized egg! She must be hiding somewhere. The Donkey Detective was on the case, her large ears twitching with curiosity as she surveyed the sunflower fields and wildflowers. With the scent of blueberries and apples hanging heavy in the air. But something was amiss. Rose, one of the beloved Easter famous green egg was missing. I Matilda, knew that I had to get to the bottom of this mystery. I began my investigation by questioning the other animals. Hazel, my trusty sidekick and fellow donkey, offered her support and sharp eyes. She first approached the miniature Highland Cow, Rascal.
